Chesapeake Chapter 2017

Welcoming the New Year

The year 2017 has commenced and the Chesapeake Chapter has geared up to take the bull by the horns. We have a new outlook on the upcoming year and have many goals to accomplish. We are looking not only to each other, but to our fellow SCTE members to join in with us!

Our training usually takes place along the Beltway in Whitmarsh, MD, Rockville, MD, and locations in DC.

One of the main goals of 2017 is to keep our webpage up to date posting training schedules, events, and activities we're hosting as well as optimizing

"Never doubt that a small group of thoughtful, concerned citizens can change the world. Indeed it is the only thing that ever has."

– Margaret Mead

Facebook

<https://www.facebook.com/SCTE-Chesapeake-Chapter-74668463863/?fref=ts>

We are planning training events to cover "Docsis 3.1", hands on training covering "node segmentation", and most importantly we are looking for feedback from our chapter members on what YOU would like to see!

participation.

Mark your calendars... our beloved Vendor Day Golf Outing will be held on Wednesday, May 10th! We look forward to inviting our vendors and chapter members to celebrate and network by

the bay. Keep checking out our page for updates and registration info!

One of the things we'd like to get involved in, is bringing the cable games to our region. In doing so, we ask for the support of our members and those with experience in running the games to assist us in kick starting the Cable games in the Chesapeake Chapter. *(continued...)*

Speaking of teaming up, the Chesapeake Chapter is looking to co-host trainings/events this year with other chapters beyond the cable games. Any chapters interested in merging events, please reach out!

Another goal this year for the Chesapeake chapter is to

provide support for a local charity and/or school event that we can participate in. If anyone has any suggestions, we will be more than happy to include you and welcome participation.

We would like to extend a warm welcome to our new members Betty Isemann,

Kristen Savino and Taylor Lund!

Lastly, please join us in congratulating our newly elected officers and board members listed below!

The 2017 Chesapeake Chapter Officers and Board Members

Executive Board Members

Simon Goodlace
President

Paul Prescott
Chairman

1st Vice President
